21 I respectfully ~~do not~~ think that Govt should not simply say "sanctioned" in a case like this when the sanction involves the violation of a fundamental & important rule of the M.S.R. How can a man on Rs 300 acting in an appt on 50-75 get Rs 50? It is very undesirable to fix higher acting allowance than the rules allow, in this manner

For this reason such matters are to be treated as schedule cases clause (xv)

as it will be a very embarrassing precedent and Govt will be flooded with such applications. The services of the man may be necessary and he may be worth Rs 50/- a month but the Dy. should make proposals for taking him consistently with the M.S.R. For example, if in the course of grade promotions the Dy. proposes to recommend in Mr Narasimhayya's place the Dy. stops at a post carrying Rs 100/- & appoints this man to act in that post then he may get Rs 30 + 20 A.A. or Rs 50/- Revised proposals in accordance with the M.S.R may be called for.
